

Presentation on UP Startup Policy 2020 (First Amendment 2022)

Department of IT & Electronics
Government of Uttar Pradesh

VISION

To establish a world class startup ecosystem in the state by developing a robust infrastructure and providing conducive policy environment

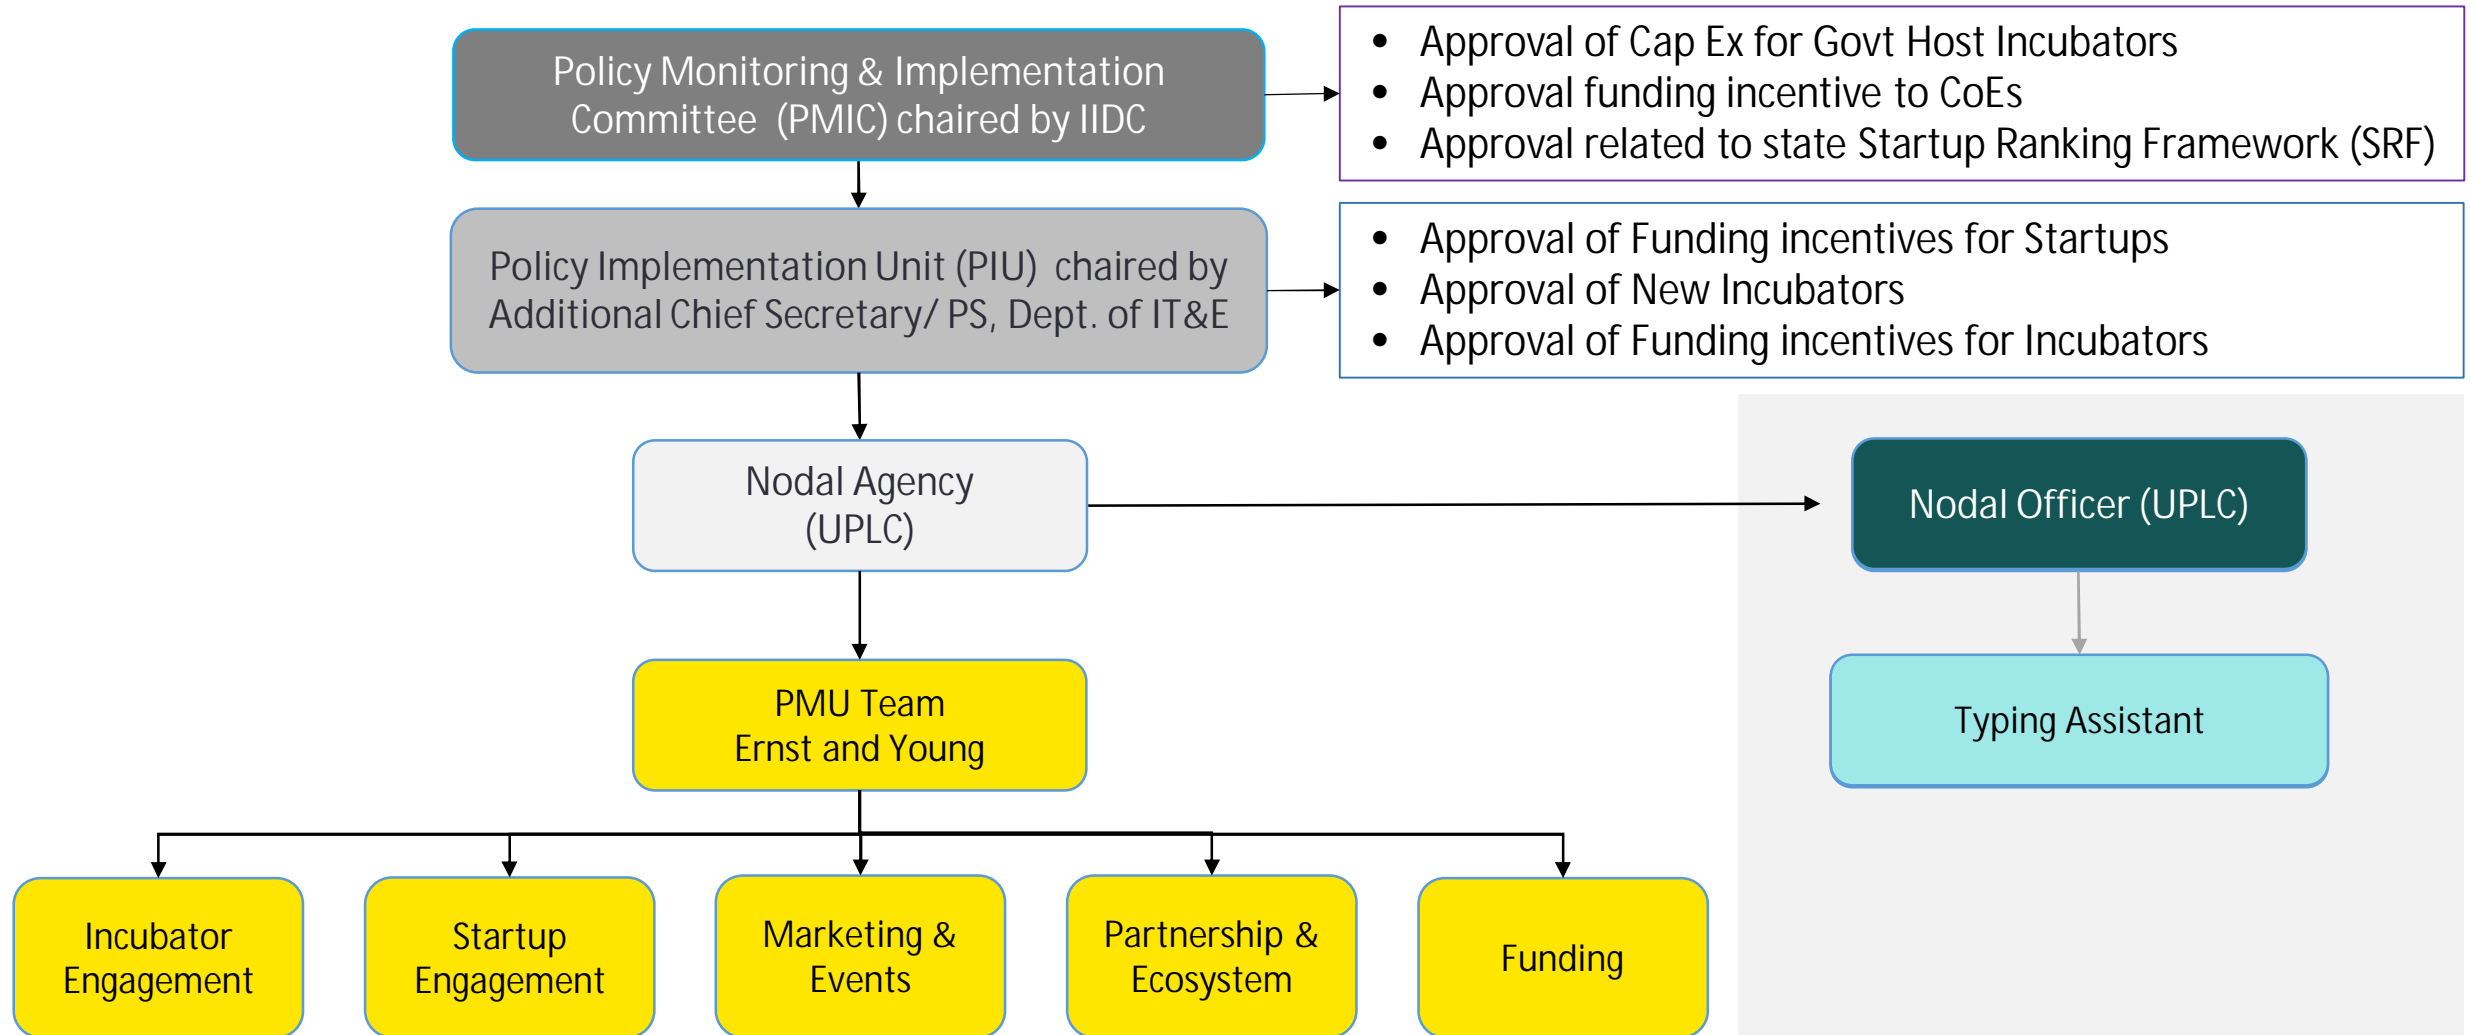

MISSION

Promote culture of innovation and entrepreneurship at grassroot level leading to employment generation and introduction of emerging technologies in niche sectors thereby contributing to state economy and empowerment of youth

GOALS

- To be amongst the "Best Performers" in the "States' Startup Ranking" conducted by Gol
- Establish/support 100 incubators, minimum one in each district of the State
- Develop minimum 1 million sq ft of incubation/acceleration space for startups
- Create the ecosystem for at least 10,000 startups in the state
- Establish 8 state of the art Center of Excellence (CoEs)
- Establish India's largest incubator in Lucknow

Category	Policy Target	2020	2025
Startups	10,000	3000+	14,000+
Incubators	100	18	70
CoEs	8	1	7

1. Capital Subsidy

50% of the eligible amount upto maximum
INR 1 Crore and **INR 1.25 Cr** for
Purvanchal/Bundelkhand regions

2. Operational Expense

INR 30 Lakhs per year for 5 years

5. Navratna Incubator

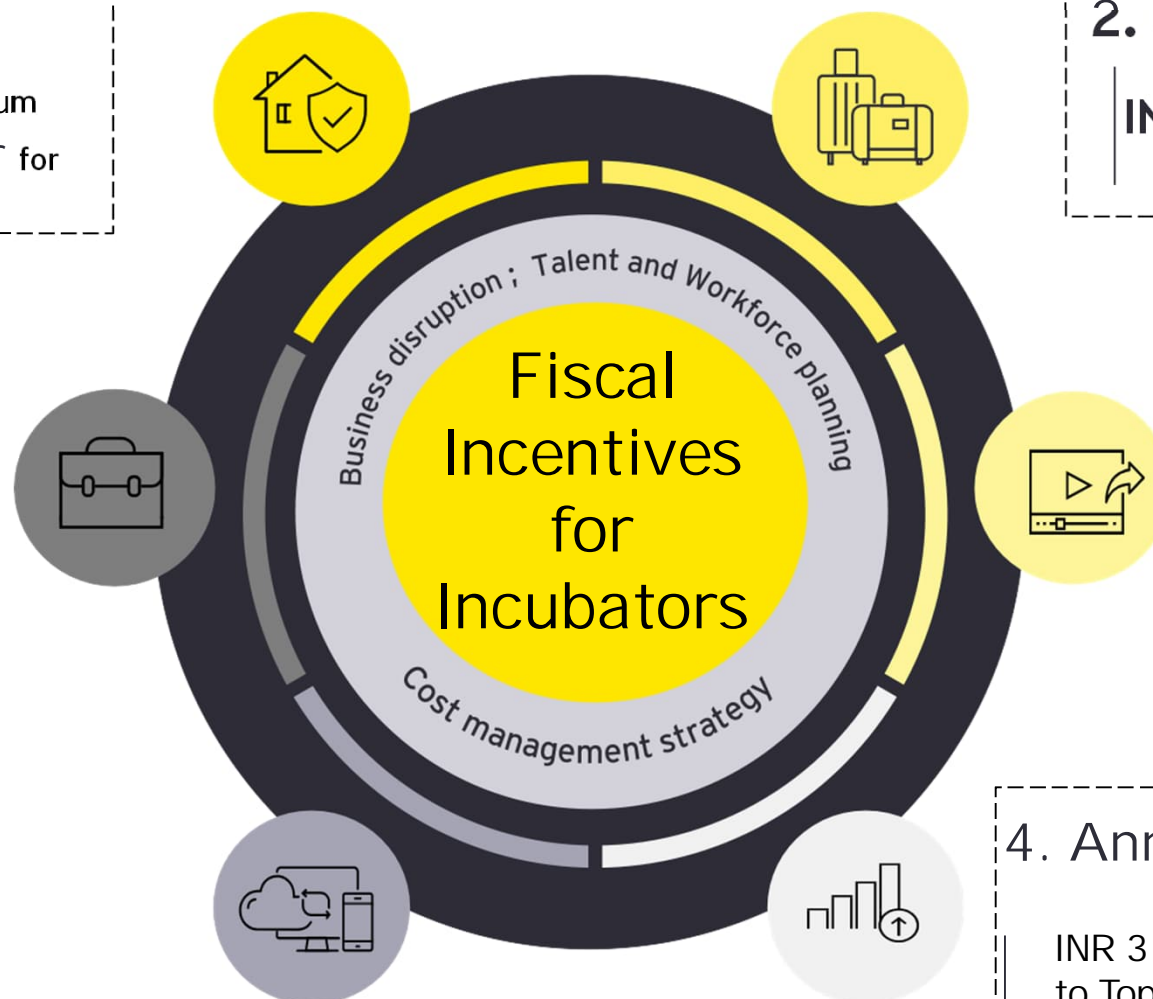

Incentive of **INR 10 Lakh per annum** for expenses incurred to support host institutes/incubators for developing/scaling up the incubation facilities

3. Acceleration Programs

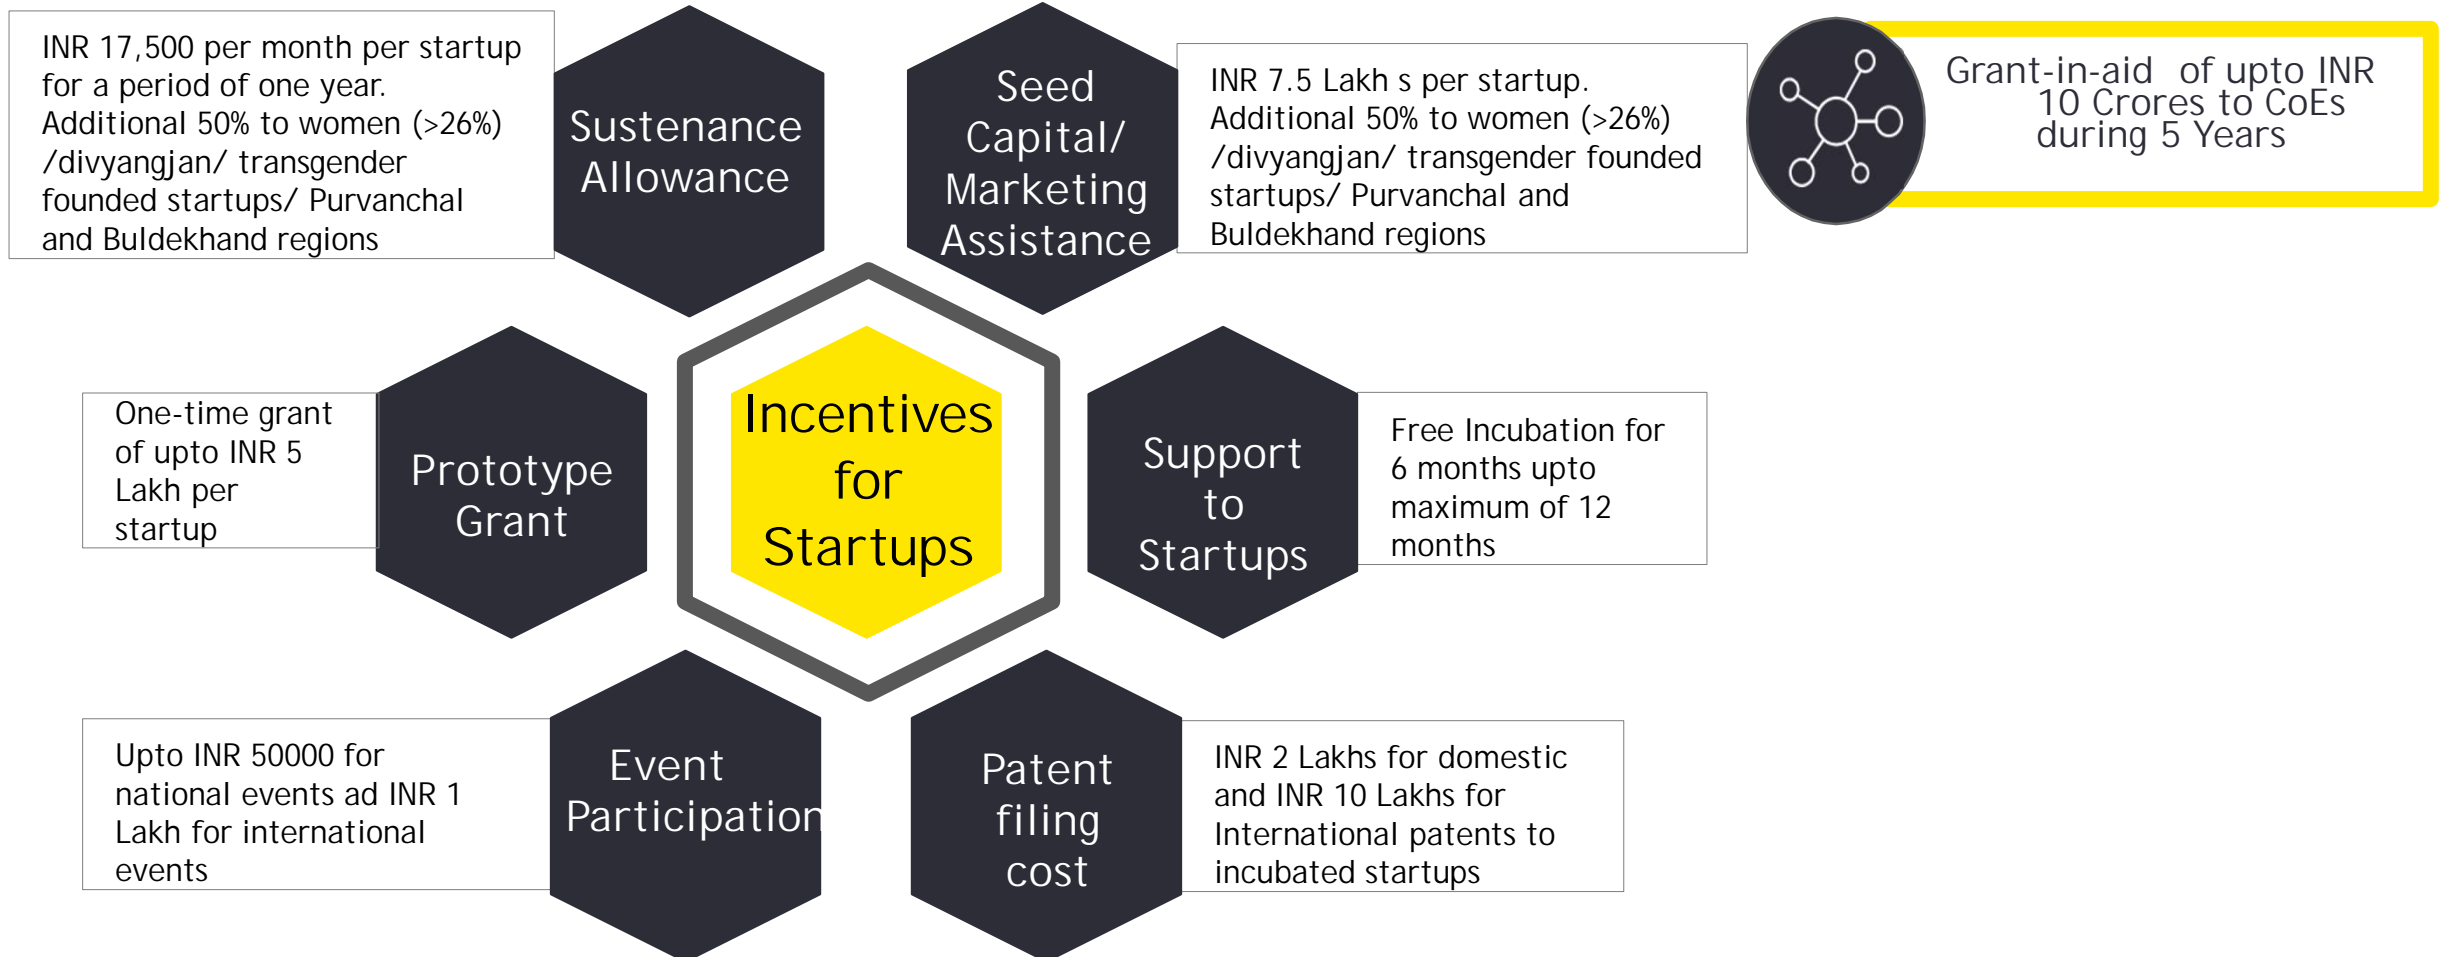

INR 1 Lakh per startup with maximum **INR 10 Lakh** per program.

4. Annual Incubator Rankings

INR 3 Lakh, 2 Lakh and 1 Lakh respectively to Top 3 performing incubators

Incentives for Center of Excellence

Self Certifications under certain labour and environment laws

Labour Laws:

- Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996
- The Payment of Gratuity Act, 1972
- The Employees' Provident Funds and Miscellaneous Provisions Act, 1952
- The Industrial Disputes Act, 1947
- The Industrial Employment (Standing Orders), 1946 The Inter-State Migrant Workmen (Regulation of Employment & Conditions of Service) Act, 1979
- The Contract Labour (Regulation and Abolition) Act, 1970
- The Employees' State Insurance Act, 1948
- The Trade Unions Act, 1926

Environment Laws:

- The Water (Prevention & Control of Pollution) Act, 1974
- The Water (Prevention & Control of Pollution) Cess (Amendment) Act, 2003
- The Air (Prevention & Control of Pollution) Act, 1981

As per UP Startup Policy 2020 clause 8.8, creation of world class infrastructure in the form of Center of Excellence (CoE) were mandated in five-year policy period by year 2025 and INR 10 Crore grant-in-aid financial support is provided to each CoEs from the State Government. Nodal Agency has successfully facilitated establishment of all 3 CoEs in MedTech at SGPGI Lucknow, AI/ML and Drone CoEs at IIT Kanpur .

- Hon'ble cabinet through its amendment of UP startup Policy (First Amendment 2022) has approved 4 more CoEs in the fields of :
 - Blockchain Technology by IIM Lucknow
 - Telecom (5G/6G) by IIT Kanpur
 - Telecom (5G/6G) by IIT Roorkee
 - Additive Manufacturing by Ajay Kumar Garg Engineering College, Ghaziabad.
 - The budget approved for these 4 CoEs is INR 39.91 Crore

Center of Excellence in UP

MedTech at
SGPGI
Lucknow

AI/ML CoE at
IIT Kanpur
(Noida
campus)

Drone CoE at
IIT Kanpur
(Kanpur
campus)

Telecom
5G/6G CoE at
IIT Kanpur

Telecom 5G/6G
CoE at IIT Roorkee
(Saharanpur
Campus)

Additive
Manufacturing CoE
at Ajay kumar Garg
Engineering College

Blockchain
Technology CoE
at IIM Lucknow
(Noida Campus)

Incubators are being recognised under the Startup Policy to provide facilitation to startups at their nearest location. Under UP Startup Policy 2016 & 2017, total 17 incubators were recognised. Total 53 incubators have been added to the list during last 3 years under UP Startup Policy 2020.

- Incubator recognition has achieved more than 300% growth since launch of UP Startup Policy 2020.
- 15 out of 18 administrative divisions have been covered so far.

IT/ITeS, FinTech & Emerging Technologies

Infrastructure (Energy, Construction, Urban & Rural Development, Logistics and Related Services)

Healthcare & Lifesciences and related technology & services

Agriculture, Food & Beverages and related services

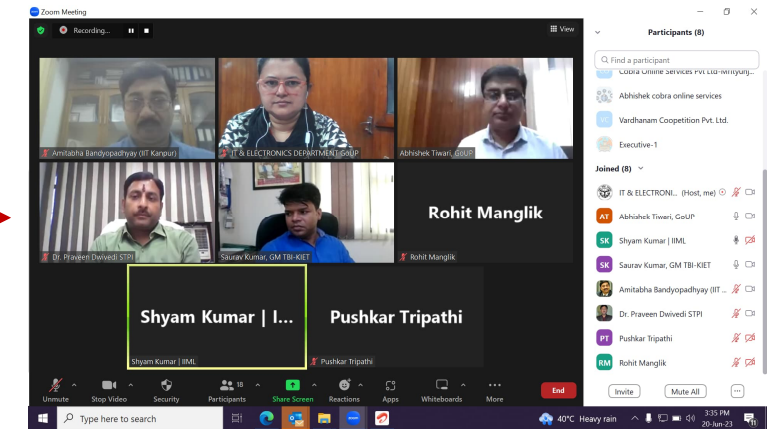

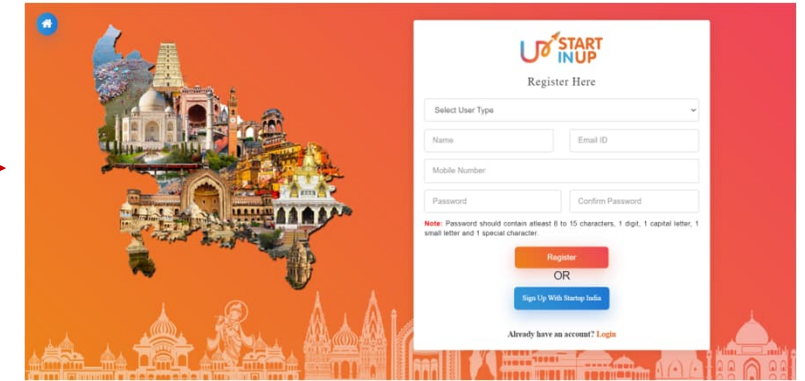

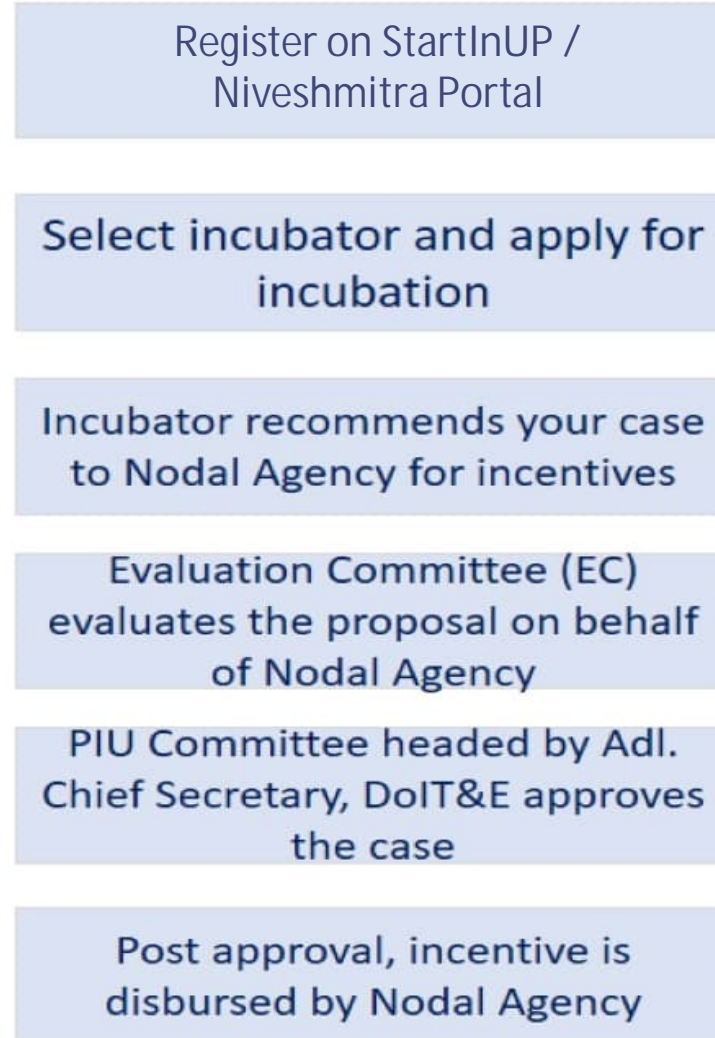

Education, EdTech & Social Impact

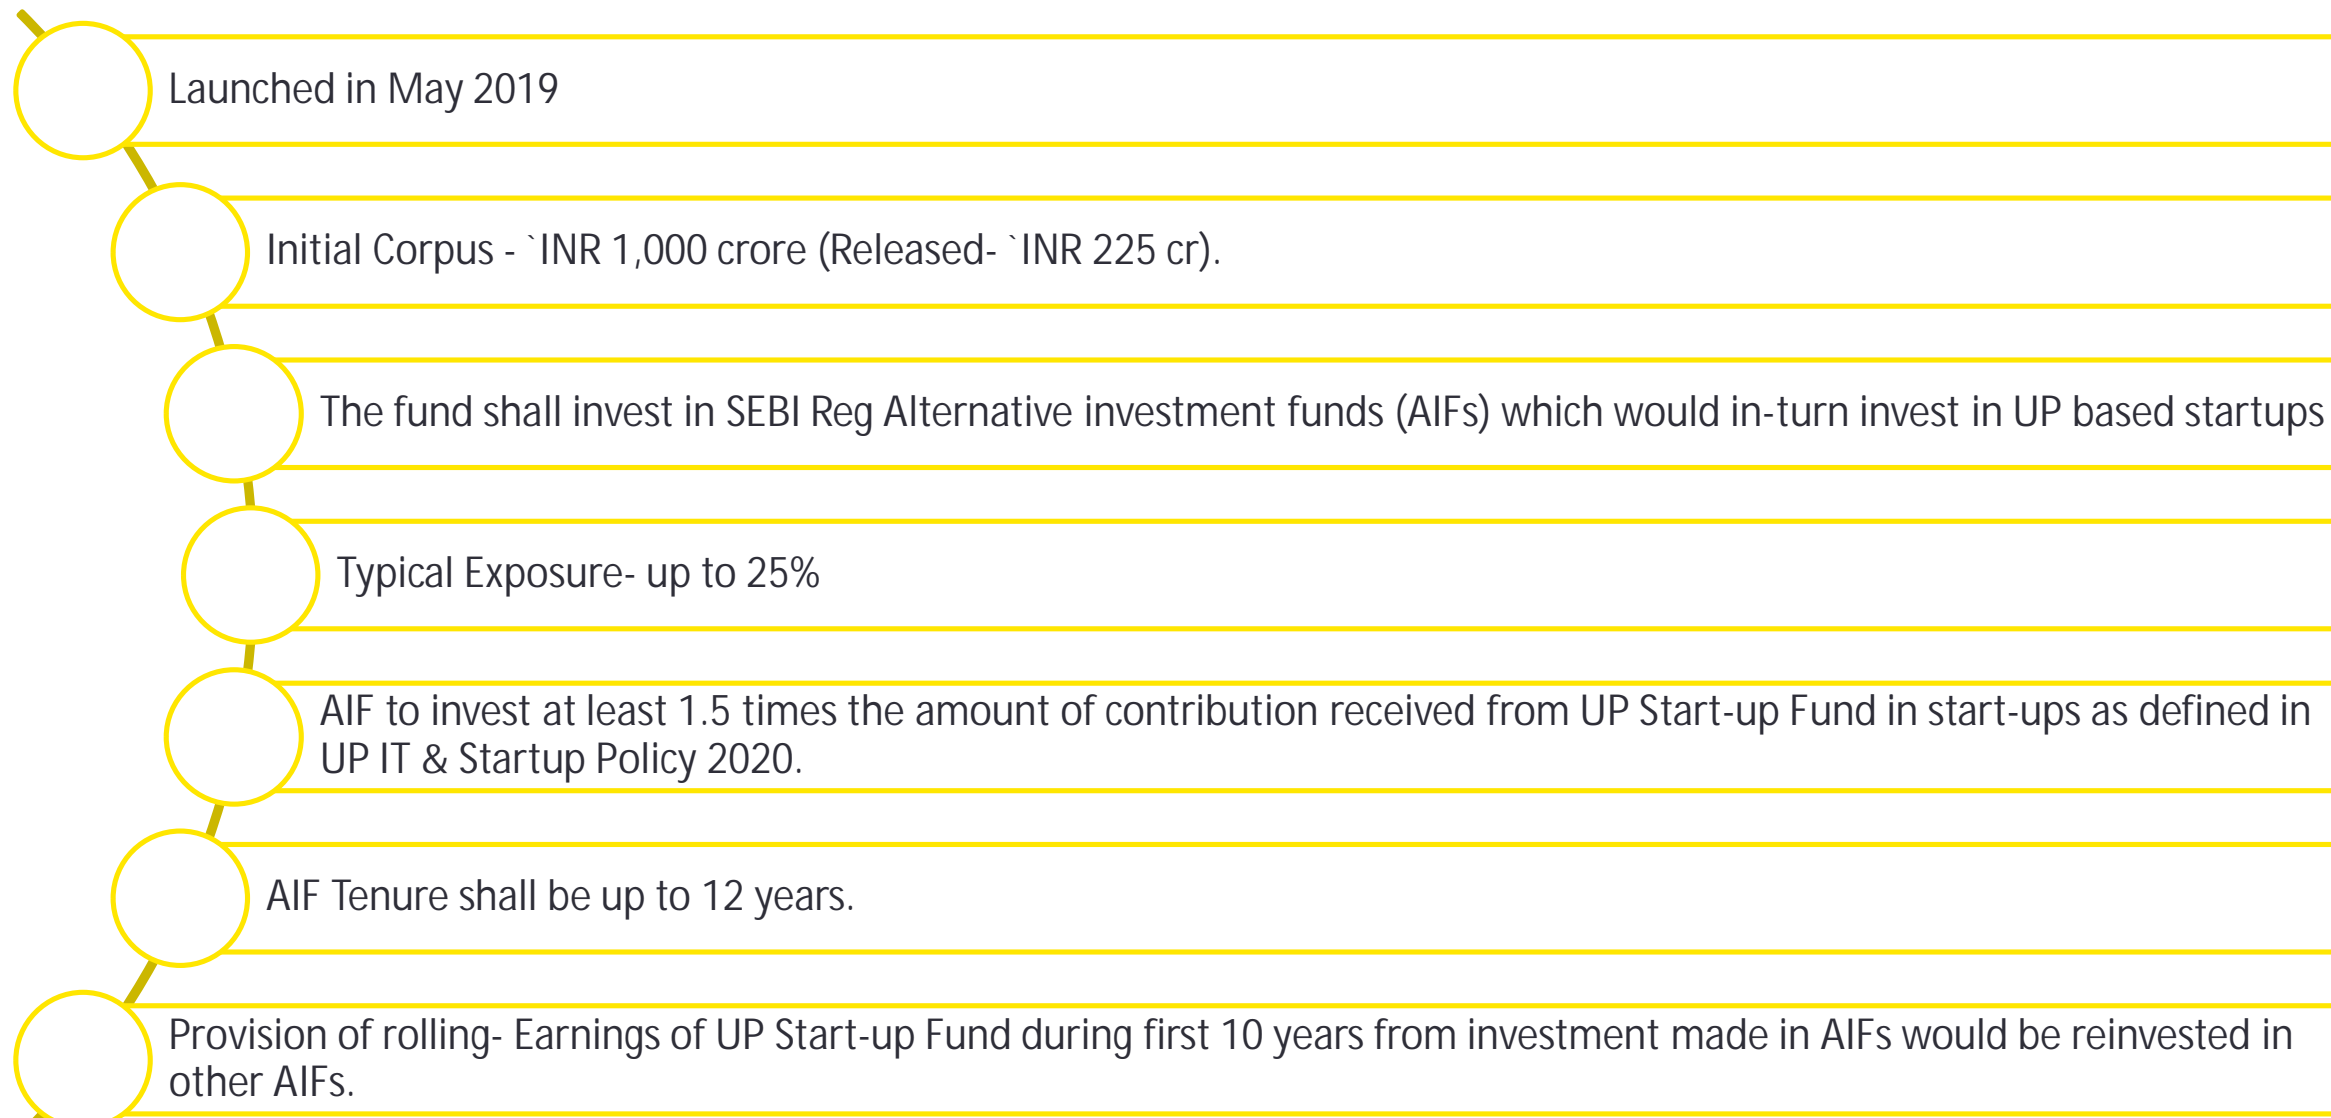

Incubator Incentive Process

- Capital expenses incentive is on reimbursement basis for incubators which can be claimed on actual expenditure on as and when basis incurred anytime during the policy period upto the maximum eligibility.
- Operational expenses can be claimed by incubators on Quarterly basis. However, this cycle may be further relaxed to provide incentives on annual basis.

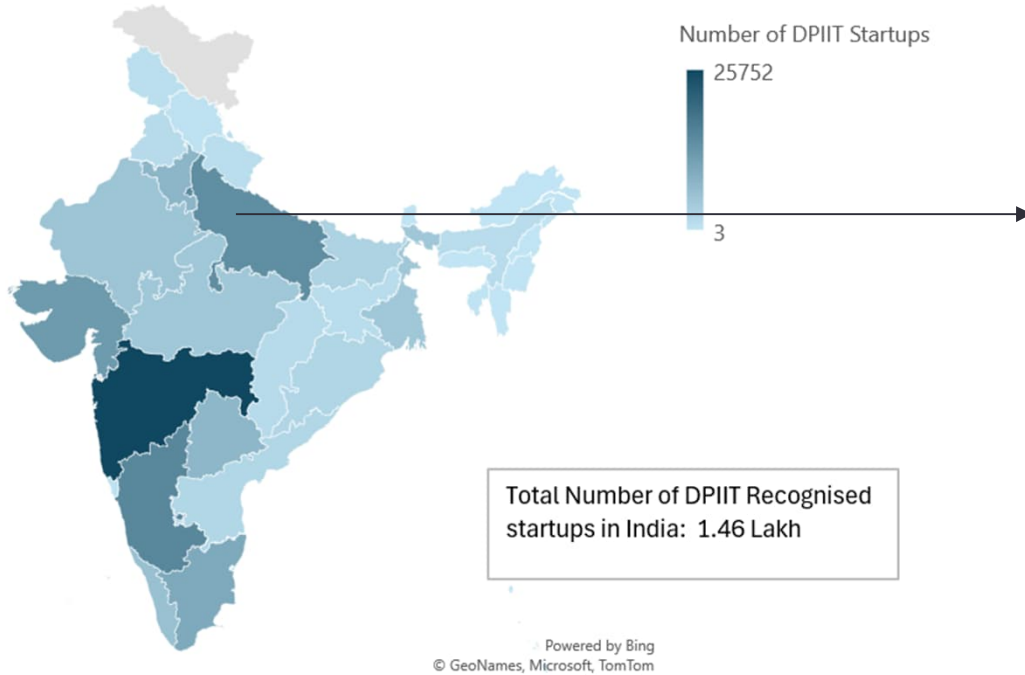

Startup incentive Disbursal Process

STEP WISE PROCESS

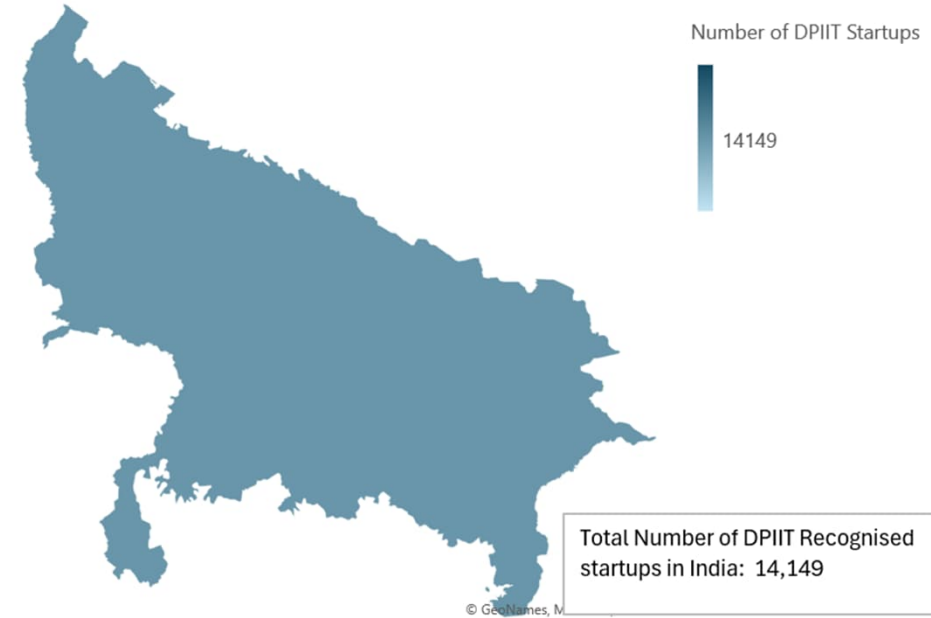

Startup Ecosystem of UP

Startup Ecosystem of UP

Fourth largest
startup
ecosystem in
India

Online StartinUP Platform for recognition, application and grievance redressal

Preference to startups in Government Procurement

Brand Promotion and Talent recognition through Hackathons, Ideathons, Workshops etc.

Financing to startups through UPSF, UP Angel Network and Banks

Mentorship and Incubation support to startups

Enhanced incentives for women-based startups

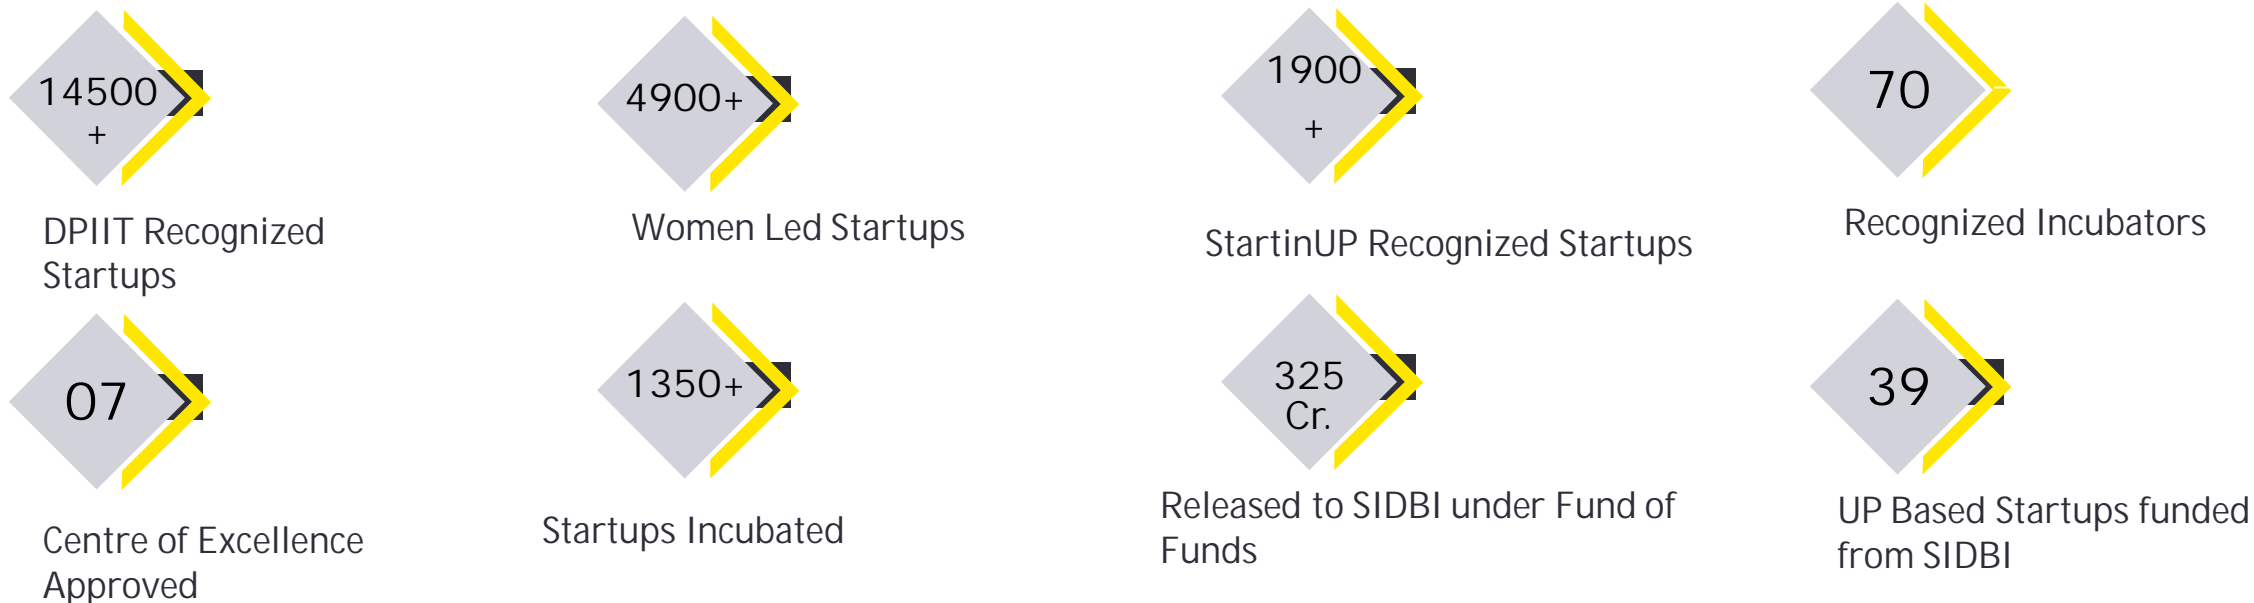

Enhanced incentives for Divyangjan and Purvanchal/Bundelkhand regions

Additional 50% grant for Rural Impact, Circular Economy, Sustainability, Renewable Energy and Climate change

International and domestic exposure to startups

Fostering innovation through academic interventions (Student Entrepreneurship)

Milestones

Proceedings

76	EC Meetings for Incentive to Startups

INR15.46 Cr.	Approved incentives for Startups
INR 7.65 Cr.	Disbursed to Startups
INR 9.83 Cr.	Disbursed to Incubators
INR 12.95 Cr.	Disbursed to CoEs

STARTUPS

Sustenance Allowance

Startups approved: 52
 Approved Incentive: 1,24,05,000
 Startups disbursed 1st installment: 42
 Startups disbursed 2nd installment : 2
 Startups disbursed 3rd installment : 1
 Startups disbursed 2nd & 3rd installment : 2
 Total incentive disbursed: 37,68,750

Seed Capital/Marketing Assistance

Startups Approved: 200
 Approved incentive: 12,39,75,000
 Startups disbursed 1st installment: 164
 Startups disbursed 2nd installment: 34
 Startups disbursed 3rd installment: 2
 Seed capital disbursed: 5,66,62,500

Prototype Grant

Startups Approved and disbursed: 44
 Amount disbursed: 2,08,78,000

Patent Grant

Startups Approved and disbursed: 1
 Amount disbursed: 1,43,000

Total startups Approved: 297

INCUBATORS

Incubator Recognition

Applications received for recognition: 109
 Approved Incubators: 70
 Pending Applications: 39

- Not recommended by PIU: 3
- Not Eligible: 2
- Process for review PIU again: 6
- PIU to be held: 8
- Visit to be done : 20

Fund Disbursement

Total amount approved as Operational Expense grant: 92,47,00,000
 Total amount approved as Capital Expense Grant: 34,10,18,356
 Capital Expense grant disbursed: 2,07,59,343
 Operational Expense grant disbursed: 1,72,74,150

CENTER OF EXCELLENCE

Applications received: 11
 Approved CoEs: 7
 Total Approved budget: INR 69.91 Crore
 Amount disbursed till date: INR 12.95 Crore
 Amount for which demand has been raised: INR 21.875 Crore

* Amount disbursed to 3 CoEs out of the 7 approved

Disbursed to 5 Incubators

INR 1.56 Cr.

Total Disbursed amount to AIIDE CoE

INR 5.32 Cr.

Total Disbursed amount

- ❑ 1 GO released for the Startups and 1 GO released for Incubators to support the Startups and Incubator effectively.
- ❑ 4 Centre of excellence was approved by Cabinet in the field of Telecom 5G/6G, Blockchain and additive Manufacturing.
- ❑ Initiatives to promote the UP Startup Fund, Organised 2 Events with Chiratae venture.
- ❑ Participated in UPITS with 100 Recognised Startups, Provided Exhibition Space to 100 Recognised Startups to Showcase.
- ❑ Conducted 7 EC meeting in January where Incentive Application of 95 Startups were Evaluated in a Month.
- ❑ Organised 9 PIU Meetings and 2 PMIC meetings for the Approval of Incentives to Startups, Incubators and CoE.

1. Incubation & Startup Support

- 53 startups onboarded
- ₹3.13 Cr. funds raised by startups
- 50 startups to be nurtured over five years
- 17 products developed and 38 prototypes created

2. Research & Innovation

- 7 patents applied
- 70 mentoring sessions conducted
- 40 training/workshops held
- 15 strategic partners onboarded

3. Employment & Economic Impact

- 300 jobs generated through startups
- Significant valuation growth for startups, with some reaching ₹90 Cr.
- Revenue generation from innovative products (e.g., AI-based health solutions, hospital air sterilization)

4. Global Recognition & Awards

1. Winners at TiE Women Global Pitch Competition
2. Quebec Market Access Winner (2021)
3. Top 5 finalists at Stanford Seed Program (2023)
4. Winners of JanCare Challenge by NASSCOM & DBT

5. High-Impact Products & Innovations

- AI-driven pulmonary screening and mental health solutions
- Non-invasive bilirubin monitoring for neonates
- Air sterilization technology for hospitals

6. Major Events & Outreach

- UP Health Technology Summit (July 2023)
- Showcased at UP Global Investors Summit, Bharat Digital Health-Tech Summit (April 2024)
- Stanford Byers Centre for Biodesign Founder Forum Meet (April 2024)

1. Funding & Infrastructure Development

- ₹3.6 crore received for CoE operations.
- ₹60 crore testing facility set up under DTIS by the Ministry of Defence (MoD).
- First-of-its-kind wind/gust wall for drone testing in India, aiding iDEX startups.
- Established prototyping & testing facilities (composites, 3D printing, motor & propeller testing).
- RPTO (Remote Pilot Training Organization) clearance obtained after exemption from IITK's red-zone restriction.

2. Startup Support & Mentorship

- 15+ drone startups mentored.
- Successful startups:
 - CDSpace: ₹5 Cr+ revenue, drones supplied to the Indian Air Force & Survey of India.
 - EndureAir: Expected to close ₹10 Cr+ revenue in 2024-25, order book worth ₹20 Cr+, Series A funding with valuation ₹250-300 Cr.
 - Alakh Drone: Used in Uttarkashi Silkyara Tunnel rescue operations.
 - Sap-M: Type-certified for surveying, used in Swamitva Scheme (GoI initiative).
- Drone supplied to Indian Army for High Altitude Logistics.

3. R&D & Intellectual Property

- Patent filed for novel precise landing system for drones.
- Another patent in progress for a low-noise propeller with potential game-changing applications.

4. Strategic Partnerships & Collaborations

- Joint development order signed with BEL for heavy-lift drones.
- Co-founders awarded Asia 30 under 30 by Forbes.
- World record created: 50 ft by 30 ft Tiranga flag lifted on 26th Jan 2025.

5. Capacity Building & Industry Engagement

- Multiple faculty development programs to train UAV/Drones instructors.
- Organized 2-Day National Workshop on Drone & Autonomous Systems (Feb 2025) with MP-IDSA.
- 44 notable attendees, including representatives from UP Government, CSIR-NAL, and DRDO, brainstorming towards the creation of a Drone Hub at IIT Kanpur.

1. Startup Support & Incubation

- 170 startups supported across multiple cohorts.
- 97 startups incubated under AIIDE CoE.
- 10 cohorts conducted, with Cohort-4 initiated in 2025.
- 23 startup success stories, including AI innovations in healthcare, cybersecurity, agriculture, and robotics.

2. Infrastructure & Capacity Building

1. World-class AI research and startup facility established in Noida.
2. Co-working space & R&D facilities for AI startups.
3. 16000+ hours of workshops & training sessions conducted.
4. 115 research projects & strategic partnerships established.

3. Key Collaborations & Industry Partnerships

1. Partnerships with Microsoft Azure, Moglix, U.P. Police, IIIT Delhi, and IIIT Lucknow.
2. Collaborated with U.P. Traffic Police & CamnCloud for smart traffic monitoring in Ghaziabad.
3. Supported P-Labs in neonatal jaundice diagnosis.
4. 16 U.P.-based startups showcased at ASEAN India Startup Festival 2024.
5. Partnered with IIIT Allahabad on AI-based facial recognition projects.

4. Success Stories & AI Innovations

- CodeMate – AI-powered code auto-correction and debugging tool.
- Hacklab Solutions – AI-driven industrial safety solutions.
- Life and Limb – AI-powered intelligent prosthetic limbs.
- AgroNxt – AI-based climate-smart solutions for farmers.
- Nadipulse – AI-based wrist diagnostic tool inspired by Ayurvedic science.
- Chitragupt – AI-powered mobile forensic suite for national security and defense.

5. Workshops & Training Programs

1. Conducted 40+ workshops on AI, ML, and emerging technologies.
2. AI productization, AI & biomedical applications, AI integration with embedded systems.
3. Partnership with NASSCOM to launch advanced self-paced AI learning programs.

6. Future Plans & Expansion

1. 72 applications received for Cohort-4, targeting 50 shortlisted startups by March 2025.
2. Installing dedicated GPU infrastructure for AI startups.
3. Annual charter with Microsoft Azure for webinars & AI workshops.
4. Physical and virtual workshops scheduled every month.

1. Infrastructure & Technology Development
 - Fully equipped 5G/6G Communication Design Lab with:
 - 5G Core, IMS Server, AI-enabled 5G Camera, XR (AR/VR/MR) Headsets, IoT Sensors, 5G Handsets
 - Advanced MEC & Application Server, Testing & Tracing Tools, and NMS Dashboard
 - Installed test beds and equipment at the designated location
 - Established Co-Working Space for startups
2. Startup Support & Incubation
 1. 70 startup applications received
 2. 10 startups onboarded (5 EIR + 5 MVP) by March 2025
 3. Onboarded startup: Ananant Systems, specializing in semiconductors & secure wireless communications
 4. Top startups supported: TechPhosis, Idt Innovation Technologies, Reetape Technologies, Sanora Wear, Dronearch Systems
3. Industry Collaborations & Partnerships
 1. Signed MoUs with BSNL & Anritsu for telecom & spectrum testing solutions
 2. In talks with VVDN for possible collaboration
 3. Collaboration with 167+ incubators and institutions for startup outreach
4. Outreach & Capacity Building
 1. Conducted webinars with 21 institutions
 2. Exploring Entrepreneurship Opportunities at 5G/6G CoE – 55+ attendees
 3. Active outreach on LinkedIn, Instagram, and Facebook Training & Future Roadmap
5. Training, internships, and workshops planned for 2025
 1. Hackathon & AI/ML training for startups in 6G standard design
 2. Continuous monitoring and evaluation of onboarded startups
 3. National & International event participation planned

1. Infrastructure & Funding
 - Project approved under UP Startup Policy 2020 with a ₹20 Cr outlay (50% funded by DoIT, 50% by AKGEC & Industry).
 - State-of-the-art AM facility established with polymer, composite, resin, biomaterial, and metal alloy capabilities.
 - Letter of Comfort received on August 27, 2024, and first tranche requested on November 5, 2024.
2. Startup & Innovation Support
 - 100 startups to be mentored over five years in business modeling, prototyping, and scaling.
 - Entrepreneurship Development Programs (EDP): 64 planned, with 10+ already conducted.
 - Industry-academia collaboration with 50 MoUs signed.
 - Consultancy & prototyping support for startups to adopt AM technologies.
3. Research & Intellectual Property
 - 20 patents targeted over five years, with multiple patents already filed.
 - 75 research publications planned, with ongoing publications in AM advancements.
4. Capacity Building & Training
 - 690 trainees to be trained in AM technologies over five years.
 - Workshops & FDPs conducted on AM-based product development and industrial applications.
 - Live Webinars organized on AM industry trends.
5. Key Collaborations & Industry Engagement
 - Signed MoU with Additive Manufacturing Society of India.
 - Engagement with industries & MSMEs to promote Make in India & Atmanirbhar Bharat initiatives.
 - Targeted problem-solving for UP's socio-economic & industrial needs using AM.
6. Future Roadmap (2024-25)
 - National Symposium on Additive Manufacturing featuring ISRO, Wipro 3D, NIT Warangal, and ARCI Hyderabad.
 - AI-driven industrial prototyping & AM technology adoption for MSMEs.
 - Expansion of prototyping services for startups through digital manufacturing.

Incubator Ranking Framework Parameters

S. No	Parameter	Sub Parameter 1	Scoring Metrics	Sub Parameter 2	Scoring Metrics	Weightage
1.	Application for Incubation	Application for Incubation	<ul style="list-style-type: none">▪ >30 = 2.5 Marks▪ 20 to 30 = 1.5 Marks▪ <20 = 1 Mark	Processed Application / Received Application	<ul style="list-style-type: none">▪ > 95% = 2.5 Marks▪ 85% - 95% = 1.5 Marks▪ < 85% = 1 Marks	5
2.	Occupancy Rate	Filled Seats / Seats reserved for UP based Startups	<ul style="list-style-type: none">▪ > 90% = 5 Marks▪ 80% - 90% = 3 Marks▪ < 80% = 1 Marks	No. of Active Startups / Total Incubated Startups	<ul style="list-style-type: none">▪ > 90% = 5 Marks▪ 80% - 90% = 3 Marks▪ < 80% = 1 Marks	10
3.	Percentage of Women led Startups	No. of Women led Startups / Total Incubated Startups	<ul style="list-style-type: none">▪ >= 25% = 5 Marks▪ 15% - 24% = 3 Marks▪ <=10% = 0 Points			5
4.	No. of Patents	1 Mark for each patent	Applicable for maximum of 5 patents granted			5
5.	Incentive to Startups under UP Startup policy	No. of Startups recommended for Incentive / No. of Applications received	<ul style="list-style-type: none">▪ >= 80% = 15 Marks▪ 65% - 80% = 10 Marks▪ 50% - 64% = 5 Marks▪ <50% 0 Marks			15
6.	Angel Funding	Total number of startups benefitted from Angel Funding / No. of Startups Incubated	<ul style="list-style-type: none">▪ >= 50% = 10 Marks▪ 25% - 50% = 5 Marks▪ <25% = 3 Marks			5
7.	VC/ PE Funding	Startups benefitted from VC or PE funding / Total Incubated Startups	<ul style="list-style-type: none">▪ >= 25% = 10 Marks▪ 10% - 25% = 5 Marks▪ <10% = 3 Marks			10
8.	Mentorship	Total number of Mentors allotted for startups - Under Mentorship / No. of Incubated Startups	<ul style="list-style-type: none">▪ >95% - 5 Marks▪ 85% - 95% - 3 Marks▪ <85% - 0 Makrs			10
9.	Acceleration Program	Startups enrolled in Acceleration Program	<ul style="list-style-type: none">▪ >10 Startups – 5 Marks▪ 5 – 10 – 3 Marks▪ < 5 Marks – 1 Marks			5

Incubator Ranking Framework Parameters

S. No	Parameter	Sub Parameter	Scoring Metrics	Weightage
10	Student Entrepreneurs	Total number of programs conducted in school / colleges for student entrepreneurship, (other than host Institution)	<ul style="list-style-type: none"> > 10 Programs – 5 Marks 5 – 10 Programs – 3 Marks <5 Programs – 1 Marks 	10
11	Hackathons	Total number of Hackathons conducted year wise (Last Five Years)	<ul style="list-style-type: none"> 1 Marks for each Hackathon up to 5 hackathon in each year 	5
12	Workorder facility	No. of Startups benefitted from public procurement workorders	<ul style="list-style-type: none"> 1 Marks for supporting each Startup up to 10 marks 	10
13	Grievance redressal	Complaints resolved through StartinUp portal	<ul style="list-style-type: none"> <30 Days – 5 Marks 30 – 60 Days – 3 Marks >60 Days – 1 Marks 	5
